RECOGNIZING THE DEDICATED
SERVICE OF VICKIE B. MULLINS
TO NORTHWEST FLORIDA

HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, September 9, 2013

Mr. MILLER of Florida. Mr. Speaker, I rise today to recognize the service of Vickie B. Mullins upon her retirement from UF/IFAS Santa Rosa County Extension as the 4-H Agent for Youth Development. For over forty years, Mrs. Mullins has served the Gulf Coast community, and I am privileged to recognize her success and myriad achievements.

From a very young age, Mrs. Mullins has called Northwest Florida home. Born in Andalusia, Alabama, Mrs. Mullins and her family moved in 1955 to Pensacola, Florida, where she graduated from Woodham High School and Pensacola Junior College. She continued her studies at Florida State University, receiving both a bachelor's and master's degree in Home Economics Education. Upon graduation, Mrs. Mullins performed post graduate work at Mississippi State University and the University of Mississippi.

Leading up to her career as a 4-H Agent, Mrs. Mullins served the Gulf Coast in numerous capacities. She worked in the Escambia County School System from 1972 to 1973, taught in the Amory and Nettleton School Districts, served as the Mississippi State Board of Health Nutritionist, and directed and taught the Nettleton First Baptist Church Weekday Early Education Program. She was also an adjunct instructor at Pensacola Junior College and the University of West Florida and the Culinary Arts Instructor at Locklin Vocational Technical School 1993–1997, where she was selected as the Locklin Teacher of the Year. In 1973, Mrs. Mullins joined the Escambia County Extension Service and became the first Expanded Food and Nutrition Education Program Youth Agent in Escambia County. She later joined the Mississippi Extension Service in 1979, and in 1997, Mrs. Mullins joined the UF/IFAS Santa Rosa County Extension, where she has served the last fifteen years as a 4-H Agent.

If there is one common thread sewn throughout her professional career, it is Mrs. Mullins' passion and dedication for bettering the lives of those around her. The positive impact Mrs. Mullins has made on the lives of our Nation's youth is unquestioned, and it is evidenced by the numerous accolades she has earned over the years. These include the Florida and National Extension Distinguished Service Award, the Florida and National Extension Meritorious Service Award, the Regional and National Power of Youth Award, the State, Regional, and National Beyond Youth Leadership Award, and the National 4-H Program of Distinction Award.

Mr. Speaker, I extend my gratitude to Vickie Mullins for her years of dedicated service to Northwest Florida. She is an inspiration to those around her, and we in Northwest Florida are blessed to have her as part of the community. My wife Vicki joins me in wishing Vickie;

her husband Dan; their three children Katie, Sarah, and Jackson; and their entire family all the best for continued success.

RECOGNIZING THE 100TH YEAR ANNI-
VERSARY OF THE BLESSING
OF THE GRAPES CEREMONY AT
THE HOLY TRINITY ARMENIAN
CHURCH

HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, September 9, 2013

Mr. COSTA. Mr. Speaker, I rise today to recognize the Holy Trinity Armenian Church during their celebration of the 100th Blessing of the Grapes ceremony. This is a very special time for the Armenian community as they gather on this holy day.

The blessing of grapes is a special tradition within the Armenian Church. The ceremony takes place on a major feast day, "Assumption of St. Mary" which is a celebration of St. Mary being assumed into Heaven. Grapes have a symbolic significance in the Christian faith, and on this day they are considered to be forbidden fruit before being blessed by the Priest at the closing of the ceremony.

Holy Trinity Armenian Church is an historical landmark in Fresno, California. The first Armenian Church was destroyed in a fire in 1913, and the Holy Trinity Armenian Church was built at an alternate location. Armenian architect, Lawrence Cone, created the magnificent church as a sacred place for the Armenian community. It was the first traditional Armenian Church in the United States.

The Central Valley is home to thousands of Armenians, and as a community we must also celebrate the 100 year anniversary of the Holy Trinity Armenian Church. They have made everlasting contributions to the City of Fresno, and our entire country.

Mr. Speaker, I ask my colleagues to join me in recognizing the 100th Year Anniversary of the Blessing of the Grapes Ceremony at the Holy Trinity Armenian Church. Their mission to provide an infinite amount of faith, hope, and love to the public is highly respected and praised.

COMMEMORATING THE 150TH ANNI-
VERSARY OF MASONIC LODGE
422

HON. BILL FOSTER

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, September 9, 2013

Mr. FOSTER. Mr. Speaker, I rise today to commemorate the 150th anniversary of Masonic Lodge 422 of Joliet, Illinois. Tracing their founding to the Civil War, the 250 members of Masonic Lodge 422 recently celebrated the longevity of their fraternal organization, and reflected on its early days in the Chicago neighborhood of Hyde Park.

Throughout history, Freemasons have dedicated their lives to cultivating good moral character both within themselves and their communities. They have consistently involved themselves in a variety of charitable causes, in their belief that one of their important roles is

to do good for society. The charitable commitments of the Joliet Freemasons include valuable medical services like the Illinois Masonic Medical Center and the Shriners Hospital for Children, as well as contributions to affiliated women and children's advocacy groups.

Over the years, Masonic Lodge 422 has maintained steady membership and has remained devoted to restoring the charitable and philosophic legacy of old Masonic orders. Members of those old orders include our founding fathers George Washington, Thomas Jefferson, and Benjamin Franklin, whose prominence, accomplishments, and positive influence remain a motivational force for contemporary Freemasons.

Mr. Speaker, I ask my colleagues to join me in not only honoring Masonic Lodge 422, but also in wishing this shining example of tradition, resilience, and generosity many more years of existence.
